Grand Knights Message

Greetings All,

As February and Lent are upon us, Please remember to get Finger-printed and submit the certificate to the church office. Our Fish Fries start Friday, February 27th at 5:30 to 7:00pm. We will be holding our Fish Fries, every Friday during Lent, except March 13th. Set up will begin about 3:30 p.m.

We need all the help we can get, guys. Our Fish Fries are one of the main events of our year and the Parish really looks forward to them. You don't have to stay all night, just help out a bit if you can, and thanks in advance.

I Also wanted to thank you all for participating with the basket we donated to the Silent Auction. I would especially like to thank my beautiful wife Joanna for assembling it. It came out excellent!

On a side note, please, if any parishioner or Ministry approaches you as a Knight and asks you for the Knights participation, please refer them to myself or another Officer. There is a protocol to be followed before we can make any commitments.

This year we will be celebrating our Founder's Day on Sunday, March 29, 2008. The Knights of Columbus will be celebrating 127 years of service to the Catholic and Civic communities. More to follow on our festivities for the day.

As always, if anyone has any ideas, suggestions, criticisms, complaints or any issues at all, you can always call me or any other officer of the council. We currently have openings for directors and are looking forward to creating committees for projects.

We have upcoming events that we need help with and are always looking for volunteers. Please feel free to drop by an officer meeting. All you have to be is a 1st degree knight and you are welcome.

Again, I just want to say Thank you and I look forward to another great month with you all.

God Bless & Vivat Jesus!

Paul Diaz

Corporate Communion & Founders Day March 29th

Our next Corporate Communion mass will be at 9:00AM at St. Paul the Apostle Church in Chino Hills. All knights and their families are encouraged to attend. We will have a section of the church reserved for our council and their families. Following the mass we will gather at a local restaurant for breakfast.

This is also the 127th anniversary of the founding of the Knights of Columbus which began in the basement of St. Mary's Church in New Haven, Conn. In 1882, Father Michael J. McGivney called together a small group of pioneering Catholic laymen, and founded a society designed to provide financial assistance for widows and orphans of members.

Join us at mass and breakfast to celebrate our Founders Day.

Insurance Agents Message How's the "Difference"?

Gerry Cacnio,

I've heard arguments against buying permanent, cash value life insurance. For years, others – temporarily popular talking heads who make a name for themselves by dispensing bad advice – have tried to define whole life insurance. I bought my first whole life policy a long time ago, and what I hear, and what I see happening in my policy, are

worlds apart.

There is nothing wrong with term insurance. We have a great term product that will provide coverage, for a limited term, at a very attractive price.

But the most popular myth these experts talk about is avoiding cash value (permanent) insurance, and "buying term and investing the difference" to achieve the same result. The theory is that you insure your life at a much lower premium cost (term insurance), take the difference between that premium and the higher whole life premium and invest it yourself. Some companies even have small funds they manage into which you can place that "difference." Perhaps you know someone who has followed this advice and decided to "buy term and invest the difference." I wonder how the difference is doing. My guess is not so good.

First, most people never get around to investing the difference. Although it sounds good in theory, actually diverting that cash hardly ever happens. There are lots of places for your money to go, and the "buy term and invest the difference" enthusiasm dies quickly.

There are a few people who are actually disciplined enough to really invest the difference. And, if they are like most investors, it's been a difficult ride. The "difference" isn't making much of a difference.

I can tell you that every year I keep my whole life policy in force, it increases in value. It has a nice positive internal rate of return and, more importantly, will take care of my family if something should happen to me sooner than expected. Guaranteed. I decided to let the Knights of Columbus invest my difference for me, and it's working out quite nicely.

You might want to do the same. Call me for a discussion about how permanent life insurance can help you sleep well at night.
Vivat Jesus!

Gerry Cacnio, Field Agent

QUOTE FROM MOTHER TERESA

ON COMPASSION

There is much suffering in the world—very much. Material suffering is suffering from hunger suffering from homelessness, from all kinds of disease, but I still think that the greatest suffering is being lonely, feeling unloved, just having no one. I have come more and more to realize that it is being unwanted that is the worst disease that any human being can ever experience.

In these times of development, the whole world runs and is hurried. But there are some who fall down on the way and have no strength to go ahead, These are the ones we must care about.

Let us be very sincere in our dealings with each other and have the courage to accept each other as we are. Do not be surprised at or become preoccupied with each other's failure; rather see and find the good in each other, for each one of us is created in the image off God. Jesus has said it beautifully: "I am the vine, you are the branches." The life-giving sap that flows from the vine through each of the branches is the same.

FAMILY BOWLING NIGHT

Our council is having a FAMILY BOWLING NIGHT on March 17, 2009 from 7:00PM-9:00PM at the Oak Tree Lanes at 990 N. Diamond Bar Blvd., in Diamond Bar

It's time for all us ladies to get together and hang out. Here are a couple of Saturday dates; March 14th, March 21st or March 28th . Let me know which Saturday afternoon works best for you and we'll go with the majority. Nothing fancy, have lunch, some laughs, maybe a drink... or two. Chit chat, relax and enjoy the company.

I'm open to suggestions on where we could meet for lunch; here are a few of mine. I chose places that hopefully would fit into everyone's budget.....Yard House, California Pizza Kitchen, Roscoe's (great sandwiches).

So ladies let me know as soon as possible if you're in and what date works for you and we will see what we can get going.

Leave the kids at home with daddy Knight and lets make it a "Ladies Afternoon". Wear your badge if you have one, Please reply ASAP at (909) 591-2411 or joannago3@verizon.net
